SCOUTS CANADA requires:

Travel insurance:

Scouts Canada requires that individuals and groups travelling outside Canada carry adequate “Out of Country Medical Insurance” and if travelling by commercial carrier, “Trip Cancellation Insurance”. Travellers may obtain such coverage through local travel agents, insurance companies, banks or they may be covered by company benefit plans.

Please note: Travel Insurance is not available through Scouts Canada.

Scouts Canada advises:

- Parents are responsible for arranging for transportation for their children to and from Scouting activities.
- Vehicles owned and operated by volunteers must be insured by the owner under the Provincial law of their domicile and be operated by duly licensed drivers.
- Volunteers who drive Scouting members do so at their own risk. Scouts Canada does not cover the cost of damage to their automobiles, nor does it cover deductible amounts, loss of discounts or loss of use. Third party claims made against owners of vehicles are not covered by Scouts Canada.
- It is therefore necessary to ensure that all volunteer drivers carry adequate limits of liability insurance. Scouts Canada strongly suggests drivers transporting youth maintain a minimum of \$1,000,000 liability insurance, and recommends limits of \$1,000,000 per passenger .
- It is the parent/guardian’s responsibility to ensure that they provide the appropriate documentation for border officials. This is especially pertinent where only one parent or guardian is signing the consent form.

Information from Department of Foreign Affairs and International Trade states:

- All Canadians should have a valid Canadian passport for all trips outside of Canada. Your Canadian passport is the best document to prove your Canadian citizenship and your right to return to Canada.
- **Permanent Resident Card:** Canadian permanent residents require a Permanent Resident Card when returning to Canada by commercial carrier (airplane, boat, train or bus). The Permanent Resident Card is the official proof of status document for Canadian permanent residents. The Department of Foreign Affairs defines a permanent resident as someone who has been allowed to enter Canada as an immigrant, but who has not become a Canadian Citizen.
 - We recommend that anyone in your group who is a landed immigrant carry their Permanent Resident Card as well as their passport from their country of citizenship for all trips outside the Canada, including trips to the United States.
- For entry to the USA, birth certificates and baptismal certificates are no longer accepted as valid identification because they don’t have photographs. They are no longer accepted without accompanying valid photo identification.
- Canadian children must have their own passports.
- If a person younger than 18 is traveling alone or with only one parent or another adult, certified documentation proving that the trip is permitted by both parents should be carried. (See *Parent/Guardian Consent Form, B.P.&P., Section 20000*).
