SET YOUR COLONY'S GOALS!

Think of the Possibilities!

Talk with the other Beavers in your Colony about the adventures they would like to have this year. Write your Colony's goals (as numbers) in the squares.

FALL: September – November

WINTER: December – February

SPRING: March – May

SUMMER: June – August

Our Scouting Year has four program cycles. The program cycles are the same as the four seasons: fall, winter, spring and summer. Plan, do and review your adventures each season. Your adventures will get better and better!

The coloured boxes include suggested goals from Scouts Canada. How adventurous will your Colony's program be?

Write the number your Colony would like to set as a goal.
