Dear Scouting Colleagues,

Below are a set of updated Honours & Awards application forms in English, as well as revisions of “Scouts Canada’s Honours & Awards – an Overview” and “A Guide to Scouts Canada’s Honours & Awards Program”.

The most significant changes have been made to the application forms. These are now all in English only and are ready to be posted as interactive pdfs on our web site. French language forms will be posted on the web site in the near future.

Please note the following changes to the application forms:

- A space has been provided for the candidate’s MMS # on all application forms (including the Recommendation for Long Service Award). We understand that this number is not always available to initiators so it is the responsibility of Admin. Centre staff to ensure that this information is included. This is required as a check that the candidate is a currently registered member of Scouts Canada.
- The Jack Cornwell and Award for Fortitude applications now allow for a Medical Statement from a teacher, faith leader or Scouts Canada Commissioner (group, area or council) if a physician’s statement cannot be obtained. This recognizes that privacy legislation makes it difficult for physicians to meet this requirement.
- The Jack Cornwell and Award for Fortitude applications now require a statement from only one third party individual who knows the candidate well.

Ken McAteer
Chair, National Honours & Awards Committee
