WHAT OUR VOLUNTEERS SAY:

“What I want to accomplish most with my Scouting children is to give them the most fun program that I can ... The smiles on their faces makes what I do worth every minute.”

— Paula McGrath, Fogo Island, NL

Scouting as a youth, I remember the great things we did. I wanted my kids to have some of those memories, so I became a leader and I am still enjoying it 20 years later.

— John Bennett, Ottawa, ON

GREAT LEADERS START HERE.

For so many Canadians, Scouting memories are some of the very best in their lives. We hear it all the time from parents who want their children to experience the fun they had when they were kids. And of course, we hear it almost every day from our volunteers.

Our amazing volunteers have brought a world of adventure, outdoor experience, friendship and fun to more than 17 million Canadian youth.

Scouts have fun adventures discovering new things and experiences they wouldn't have elsewhere. Along the way, they develop into capable, confident and well-rounded individuals, better prepared for success in the world. Scouts is the start of something great.

Shaping tomorrow's leaders

Mothers, fathers, and young adults—people just like you—have been providing generations of Canada's youth with their first opportunity to sleep in a tent; to experience a taste of leadership; and to build self-confidence and self-reliance. In a world that's ever-changing and always busy, Scouting offers a chance for families to bond together and share unforgettable experiences.

Scouts Canada needs volunteers who:

- enjoy working with youth and live a healthy, active life
- embrace the concept of using the outdoors as a classroom
- want to play a key role in developing good citizens
- foster environmental responsibility and respect
- enjoy leadership roles
- are ready for fun and adventure

By volunteering with Scouts Canada you will be:

- making a difference in the lives of children in your community
- helping to shape tomorrow's leaders
- developing your own planning and leadership skills
- acquiring new skills and knowledge to assist in fully enjoying of the outdoors
- feeling connected to the community
- working as part of a team and building camaraderie with other like-minded volunteers

Scouts come from many countries and cultures. Today 30 million youth and adults from more than 160 countries pledge to live by our founder Lord Baden-Powell's values:

Be kind. Do your best. Leave each place a little better than you found it.
