

# Good Turn Week

## BIG BROWN BEAVER'S LODGE Citizenship

### The Adventure:

Do you remember the Beaver Scout Promise? The last line is a promise to "help take care of the world." You can do this by doing good turns for others.

As a Lodge, take some time to think about the good turns everyone has done for your friends and family. Draw pictures of the good turns you have done, and take turns sharing your pictures with each other. You could also use large sticky notes and create a Good Turn Week log book.

Using the ideas you have shared, come up with a project that you can do as a Lodge or a Colony for Good Turn Week in the last week of April this spring!

### Online Resources:

- Good Turn Week
- Scout Messengers of Peace
- Scoutrees

### Safety Note:

How can you stay safe when doing your project? Share your plans with your Scouters and ask for their help.

### Plan:

- What project will your Lodge or Colony take on for Good Turn Week?
- What tasks are involved? How will you divide them up?
- What will you need to make your good turn happen?
- How will you share your good turn with others?

### Do:

- Do a special good turn to celebrate Good Turn Week.

### Review:

- What do you know now that you did not know before?
- What was hard about your project? How did you solve any problems you had?
- Who stood out as a good leader (or leaders) on your project? How did he/she/they inspire others in the group?
- How did you feel after completing your good turn?
- How did you share your good turn with others?
