

22nd World Jamboree – Sweden: Bulletin #6

Greetings once again World Jamboree participant! There are less than 3 weeks left until the big event, and less than 2 weeks left until the pre-Jamboree! Below you will find information pertaining to payment methods on site, emergency contact info, what to do upon arrival at the airport, and more. As we are now closing in on the event, this will be the last of the WJ Bulletins. Any other last minute information that we need to relay to participants and/or parents will be posted on the WJ website (<http://www.scouts.ca/worldscoutjamboree/>), so be sure to keep checking it for details!

Contingent Kit Pins (and other Kit items) at Canada House

Please be advised that contingent kit pins will NOT be included in the packages being sent to your home address. Once you arrive on site and have a chance to set up camp and settle in, we would ask that each participant (including Leaders and IST), make their way to Canada House (the Canadian pavilion) to collect their pins. Any other items that may be missing from your kits can also be picked up from Canada House at that time. Be sure to visit as early in the Jamboree as possible. This will ensure that each member of the Canadian Contingent has a chance to see Canada House, and can mark their home town on a map of Canada.

Letters of Intro

Each participant will receive an International Letter of Introduction card that they can carry on their person as proof of their membership with Scouts Canada. These cards will be placed in your Contingent Kit package and shipped to you with the rest of your order. Please keep an eye out for these purple cards when sorting through your gear! You will need to sign this card before using it. There is also a section on the card where you can place your photo – it is not mandatory to include your photo, but it is encouraged.

Consent Forms

For parents of youth who will be travelling with Leaders unknown to them, or for those youth travelling with a Leader who is not their Patrol Leader, we would strongly advise that a letter of consent be prepared for your son/daughter. In cases where there might be an actual or potential custody concern relating to the child, we would also strongly advise you to fill out one of these forms. These forms must either be given to the Patrol leader escorting your child, or to the child him/herself if he/she is meeting up with a leader elsewhere in Canada. The forms mentioned herein can be

found on the Foreign Affairs Canada website at http://www.voyage.gc.ca/preparation_information/consent-letter_lettre-consentement-eng.asp. If your child's itinerary is not the same as that of their Patrol Leader and you are unaware of the Leader or Service Scouter who will be accompanying your child during his/her travels, please contact Scouts Canada employee DJ Gough (dgough@scouts.ca) for details.

Travel Insurance – Pre-existing Condition.

Travel insurance was purchased on your behalf with a reputable provider through the travel agent MKI Travel. When you get your flight tickets (if you have not already received them), you will also get information about this insurance package. We would like to bring to your attention that with regard to medical coverage, as is normal with these policies, travellers need to be alert of their pre-existing health conditions. Travellers who may suffer from an existing medical condition, a change in medication, or experience an important medical event 90 days prior to the trip, need to ensure that they have purchased additional coverage through their own supplier to guarantee proper coverage should something related to this condition occur while travelling.

Upon Arrival at the Airport

As a participant in the World Jamboree, you should be travelling wearing your WJ Contingent clothing. Upon arrival at the airport in Frankfurt, remain with your Patrol Leader as you go through Immigration and Customs, pick up your bags, and then go out through Customs again into the Arrivals area. In the Arrivals area, be sure to look for the folks (Service Scouters) wearing the red Contingent shirts and neckers; do not leave the airport without meeting them - if you do not find them go to The Information Desk and ask for assistance. The Service Scouters will provide you with Frankfurt Travel Cards, Public Transport instructions to get to the Hotel (Mercure Residence, 29 Voltstrasse, Frankfurt am Main) as well as room instructions, and will be able to point you in the right direction so that you can take the train to the hotel. The Frankfurt Travel cards are provided to you as part of your Pre-Jam experience, and provide you with unlimited access to public train, bus and tram systems throughout Frankfurt.

The above arrival instructions regarding Service Scouters also apply to those arriving at the airport in Copenhagen. Once you have passed through to the Arrivals area, the WJ Service Scouters will be able to assist you in finding your shuttle, which will then take you to the Jamboree site.

Returning to Canada

As all participants (IST, Leaders, youth and CMT) travel through Canada Customs (Canada Border Services Agency) on their return to Canada, they will be given a customs questionnaire (card) to fill out. One of the questions on this card will be "I/We have visited a farm and will be going to a farm in Canada." Please note that as the Jamboree site is in fact on pasture land, you will need to indicate "yes" to this question on your customs form IF you are immediately travelling to or visiting a farm. More info on this is available at <http://www.beaware.gc.ca/english/faragre.shtml>.

Payment Methods On-site – more about Cash Cards

In order to keep the amount of cash to a minimum at the Jamboree, we encourage everyone to use credit/debit cards or the cash cards that will be provided. To facilitate this, the ID-card that everyone in the Contingent will receive when checking in, will also have a cash card function. The combined functions (ID and cash card) will hereafter be called the Event Card. The Event Card can be loaded with money and used when paying in all the cafés, shops, laundry facilities, etc. on the Jamboree site. It will be optional to use the cash card function and we encourage those who have credit/debit

cards that work internationally to use these. It will also be possible to use cash (SEK, Swedish Krona), but by introducing the cash card solution we hope to increase the safety at the Jamboree.

Besides the Event Card, the following credit/debit cards will be accepted at the Jamboree.

- Visa
- Visa Electron
- MasterCard
- Maestro
- JCB
- American Express

Please contact your bank to make sure that you will be able to use your card abroad, before you leave for Sweden.

What is the Event Card ?

The Event Card is a card that every participant, IST and CMT will receive on arrival at the Jamboree.

The card has two functions:

1. Firstly, it is an ID-Card which prove that you are participating in the Jamboree.
2. Secondly, it has a cash card function; this function is optional to use.

The Event Card can only be used for shopping on the Jamboree site, and will be invalid once off-site. It is easy to load the card with money, and you can easily find out how much money the card holds by logging on to www.worldscoutjamboree.se/eventcard. If the card needs a refill, this can quickly be done by using a credit card over the internet.

How do I load the Event Card with money?

Before the Jamboree, you can log on to www.worldscoutjamboree.se/eventcard.

(Please note that this feature is not yet active, but should be within the near future).

You will need to state the participant's name and date of birth. You will also need to state the Contingent (Country) that the participant belongs to (you chose the country from a drop list). Cards can also be loaded on site.

If you have used a credit card to load the Event Card it will be possible to withdraw the balance on the card at the end of the event; you simply log on to www.worldscoutjamboree.se/eventcard to make the withdrawal and transfer the money back to your credit card. **If you have used cash to load your card however, it will not be possible to withdraw the balance on the card at the end of the Jamboree.**

Medical Care at Camp

There will be three Health Centres at the campsite where medical professionals, including physicians and nurses, will provide medical care. Medical services at the Jamboree will be available 24 hours a day to assist with healthcare related incidents that cannot be handled at a Unit or Contingent level. Physicians working within the Medical Service Section at the campsite can write prescriptions, if needed, for treatment of illnesses that occur during the camp.

Before you travel:

Medications:

Bring any medicine you need in your carry-on luggage. To avoid problems when passing through customs, keep medicine in their original, labelled containers. Bring copies of your prescriptions. If a medication is unusual or contains narcotics, carry a letter from your doctor attesting to your need to take the drug. Bring enough medication to last for your entire stay and a back-up supply if possible. There will be a pharmacy available on the jamboree site where medications can be purchased.

Eyeglasses:

If you wear glasses, pack an extra pair and bring them in your carry-on luggage.

First Aid Kit:

All unit leaders are requested to bring their own first aid kit for their patrol to deal with any minor illnesses and injuries.

Here is a list of some basic supplies that can be included in your first aid kit:

- rubber gloves
- antiseptic hand cleaner
- antiseptic pads
- assorted bandages (several sizes and types)
- sterile gauze squares of assorted sizes
- gauze roll
- medical adhesive tape
- scissors
- tensor bandage
- moleskin
- tweezers
- at least one triangular bandage (or just use your necker)
- pressure bandages or sanitary pads
- safety pins

Remember to pack (and use) your sunscreen!
