

Chief Scouts Award

The Chief Scout's Award is the highest proficiency award, which can be achieved at the Scout level in Scouts Canada. On September 18, 1973, Roland Michener, then Governor General and the Chief Scout of Canada, inaugurated the Chief Scout's Award. In his challenge, the Chief Scout said that Scouts who receive the award will have exemplified Scouting's principles through leadership, voluntary service to the community, and outdoor skills. These elements provide the award's focus.

Queens Venturer Award

The Queen's Venturer Award is the highest proficiency award for youth members in Scouts Canada. When the Scout program was divided into Scouts and Venturers in 1968, the highest award, the Queen's Scout Award was renamed to reflect its application to the Venturer section. The award is presented to Venturers who have acquired competence and skills that will be of considerable use to themselves, their company, and their community.

On my honour;
I promise to to my best;
to do my duty to God and the Queen;
to help other people at all times;
and to carry out the spirit of the Scout Law.
