

Become a Holiday Helper!

A fun drawing activity to celebrate the holiday season!

Beavers and Cubs can select which Holiday Crest they want to work on and do a 'good turn' to achieve their crest. There are a few fun ways to recognize each youth's act of service to others and the community in your next Section meeting:

OPTION 1

Before your Section sets out to do a good turn, have youth design a Holiday Crest of their choice and share it in your next meeting. After youth have done their good turns, they can award each other with the different Holiday Crests to recognize and celebrate their contributions.

OPTION 2

Get started with giving back! After each youth has done a good turn, they can design the Holiday Crest that describes their activity and write a brief story of their good turn. In your next meeting, youth can share their designs and stories of giving back.

OPTION 3

The holidays are a busy time, and sometimes activity planning can be a little tough this time of year! Keep it simple and engaging by having each youth select and design a Holiday Crest of their choice. In your next Section meeting, youth can share why they chose this crest and the design they created.

Are there youth or Scouters in your Group who have been engaged in acts of service throughout the year, or led a project to give back to the community in 2020? Celebrate their contributions by sending them the digital Holiday Helper badge!

Safety first! Before doing a good turn, ask yourself what safety steps need to take place. Whether it's washing hands, wearing masks and using gloves (for the Hot Chocolate Connoisseur, for example), let's stay safe and be mindful of not putting ourselves or others at risk of COVID-19.

HOLIDAY CREST

Hot Chocolate Connoisseur

Make gift bundles filled with hot chocolate sachets, candy canes and marshmallows. Drop them off on neighbours' doorsteps with a kind note!
