<p><b>Camp's Reopening? Time to SING!</b></p> <p>After three long years since we were last together in Summer 2019, it's time to open the Camp Samac gates and reunite! Buster Moon is bringing his all-star cast of performers and we're showing up with our incredibly talented staff &amp; campers to "set the stage" for the incredible summer ahead. It's finally time for excitement, camp songs, &amp; laughter to buzz through our forests once again. Pack up those backpacks &amp; join us for the adventure of a lifetime!</p>	<p><b>The Wizarding World of Samac!</b></p> <p>Accio water bottle! Accio backpack! Accio wand! Who will win the coveted House Cup, you ask? It's time to get our campers sorted and begin earning some points to find out! From potions to quidditch, Samac's 'School of Witchcraft &amp; Wizardry' is ready for the magic all of our campers bring!</p>	<p><b>Marvel Meets Samac</b></p> <p>Campers ASSEMBLE! The Samac Infinity Stones have been scattered across the campgrounds, and we need your help to get them back before Twiggy gets them and loads them into her gauntlet. We will need your hulk-like strength, your Black Widow agility, and your Iron Man smarts to succeed in this mission. Join the rest of the camper-Avengers for this adventure of a lifetime!</p>
WEEK 4   JULY 25-29	WEEK 5   AUGUST 2-5*	WEEK 6   AUGUST 8-12
<p><b>CHOPPED Jr. (Samac Edition)</b></p> <p>We are seeking the finest chefs in town to break free of the typical kitchen: It's time to take our culinary skills to the woods! From fire building challenges and learning about wild edibles to food chains, gardening, and delicious outdoor cooking, FUN is all over this week's menu!</p>	<p><b>A Samac Space Odyssey</b></p> <p>3, 2, 1... BLAST OFF! We've recruited our finest Samac Astronauts to join us on an adventure to the moon. Determination, teamwork, and proper equipment will be necessary to complete a mission such as this. What will we find along the way? To find out, you'll have to join us as we break out of Earth's atmosphere and leave gravity behind!</p>	<p><b>Samac's Space Jam!</b></p> <p>"Welcome to the Jam!" It was just another ordinary summer morning... until Bugs Bunny gave Cabin 1 a call for help. Dom &amp; LeBron are stuck in the digital world &amp; need our support to get home safely! The Looney Tunes crew have called on our team to get in the game &amp; cheer them on against the AI's champions on the court. From robotics to basketball, we're going to need to tap into it all. Do we have what it takes to save LeBron and his family? Let the "new legacy" begin!</p>
WEEK 7   AUGUST 15-19	WEEK 8   AUGUST 22-26	WEEK 9   AUGUST 29-SEPT 2
<p><b>Under the Samac Sea</b></p> <p>"They get the urge 'n' start to play; we got the spirit, you got to hear it, under the sea!"</p> <p>With approximately 70% of our earth's surface covered by oceans, our campers will be diving deep to explore the beauty of this watery habitat. Our investigations of climate control, water cycles, &amp; ocean conservation will surely make Ariel &amp; Flounder proud!</p>	<p><b>Camp Encanto!</b></p> <p>The Madrigal family has found their way to Oshawa and Mirabel is in search of her gift! The candle is melting, and she's counting on our campers to help her. It's time to tap into our own super abilities and save the magic before it's too late! (But shhhh... we don't talk about you-know-who...)</p>	<p><b>Welcome to... JUMANJI! (Samac Edition)</b></p> <p>The magical console has made its way onto our property &amp; our campers need to work together to escape the Samac jungle! Their avatars all have unique capabilities that will be utilized as they strive to find the precious gem, which frees them from the game! Will the campers be able to make it back to school on time? There's no time to waste! (Deep in the heart of the Samac jungle, you can hear our campers rumble...)</p>
