The Stage 5 pandemic Standards has been modified to lift the last remaining internal restrictions for all Scouting activities while remaining to defer to all municipal and provincial public health restrictions.

The Stage 5 Pandemic Standard no longer has a requirement for the use of the Modified Adventure Application Form (MAAF), but will return to our previously established procedure of use the Adventure Application Form (AAF) referenced in the Adventure Standard.

This side-by-side comparison highlights on the Modified Adventure Application Form (MAAF) areas that are no longer required to be filled out on the Adventure Application Form (AAF). You can download the Adventure Application Form in the resources section of the Adventure Standard available on Scouts.ca.
