## Summer Camp Dates & Weekly Themes

WEEK 1   JULY 4-7*	WEEK 2   JULY 10-14	WEEK 3   JULY 17-21
<b>Camp Minecraft (Unplugged)</b> It's the first week of summer and we're kicking it off with one of our most highly requested themes: Camp Minecraft! While we won't have our electronic devices out in the woods with us, our staff are turning on 'creative mode,' taking one of the most beloved children's games & making a hybrid version with all things 'camp!' Grab your pickaxes, campers: it's time to create & explore Samac's biomes! WARNING: Portals on property may lead to the Nether dimension.	<b>Camp Samac: A Young Jedi Adventure</b> Dooo Dooo Do Do Do Doo Dooo Do Do Doo Dooooo! A long time ago in a galaxy far, far away... Journey to the lost planet of Samac, where new legends will be born and where the battle for the all-important Camp Cup will continue. Recruit your droids, Wookies, Gungans, and fellow campers because it will take all of the teamwork in the worlds to defeat the evil Sith! May the force be with you...	<b>Super Mario Bros (Samac Edition)</b> Yiiippeeeeeee! Mario, Peach, & Toad have joined us for a relaxing summer vacation. There's only one problem: The king of the koupas just found his way to Cabin 1 & sounded the alarm. Bowser is demanding that we open up the gates! Hop into your kart & speed along with us through Mushroom City as we set off to find Luigi & save Samac from Bowser's fire-breathing reign of terror. Collect as many gold stars as you can & watch out for the banana peels along the way. Let's a-go!
WEEK 4   JULY 24-28	WEEK 5   JULY 31-AUGUST 4	WEEK 6   AUGUST 8-11*
<b>Camp Samac's Amazing Race!</b> Canada isn't the only beautiful country we'll be celebrating this week! Campers are setting off to explore the globe on our very own Camp Samac grounds. It's time to grab our maps, put on our hiking shoes, & enjoy the various pit stops along the way as we race around the incredible world we live in!	<b>Samac Goes Elemental!</b> Now approaching: Elemental City! Come along with Ember & Wade as they navigate all of Samac's beautiful elements. Experience fire, water, earth & air in a way unlike ever before. On a journey of identity and belonging, we will come to understand how all of the elements of nature are so different, yet so connected... just like us!	<b>BINGO! Camp Samac's Game Show Extravaganza</b> Hey campers, Let's Make A Deal! It's time to train for the Samac Ninja Warrior competition as we face-off to determine Who Wants To Be a Millionaire. If The Price Is Right, you could buy quite a bit of canteen. Join us for a week of your favourite T.V. game shows. If you miss this one, your summer might just be in Jeopardy! (We'll do without the Family Feuds though...)
WEEK 7   AUGUST 14-18	WEEK 8   AUGUST 21-25	WEEK 9   AUGUST 28-SEPT 1
<b>Samac Meets Shrek!</b> Welcome to the enchanted world of Samac! Shrek is calling all brave & creative souls to explore the magic of the woods. Donkey said it best: "We can stay up late, swapping [campfire] stories, and in the morning, we're making WAFFLES!" Join us for a week in Shrek's swamp as we venture to Kitchie palace to take on Lord Farquaad, meeting numerous fairytale friends along the way. Did we mention that Puss in Boots has used 8 out of 9 of his lives? It's up to us to find the Last Wish... fast!	<b>To Infinity... &amp; Beyond!</b> Legendary space ranger Buzz Lightyear, his ambitious recruits Izzy, Mo, Darby, & his robot companion, Sox, have landed in our Sign-In Field! They've enlisted our campers to help them tackle their toughest mission yet. We must work together as a team to escape the evil Zurg & his dutiful robot army that are never far behind. Embark with us on an intergalactic camp adventure you'll be sure to remember for infinity... and beyond!	<b>Survivor: Samac All-Stars</b> Grab your torches & buffs—it's a showdown of Survivor's best! Jeff Probst has tasked us with taking our contestants' Outdoor Adventure Skills to the next level. Will you be able to brave the ever-changing conditions of Camp Samac? Put your skills to the test in our most extreme food competitions and immunity challenges as you work with your tribe to avoid tribal council!
