Preface

Providing service and support for Section Leaders and delivering quality programs is critical. With this in mind we have aligned the structure of Scouts Canada to enable us to provide service and support right at the group level.

We have significantly streamlined the organization to 20 councils from coast to coast:

British Columbia – 3 councils Alberta – 2 councils Saskatchewan – 1 council Manitoba – 1 council Ontario – 8 councils Quebec – 1 council New Brunswick – 1 council Prince Edward Island – 1 council Nova Scotia – 1 council Newfoundland and Labrador – 1 council

Each council will continue to provide service and support to groups through Areas. Each council will have a Council Commissioner appointed by the Chief Commissioner and Chair of the Board of Governors. This person's key role is to manage the Area Commissioners within their council and ensure that the section leaders receive the appropriate service and support to develop and conduct quality programs, which achieve Scouts Canada's Program Standards.

Each Group will have a Group Committee led by a Group Commissioner selected or elected, then appointed by the Area Commissioner, to ensure that the section leaders receive the appropriate service and support necessary to develop and conduct a quality program and achieve Scouts Canada's Program Standards.

Council and group committee members will be clearly focused on the following:

PROGRAM

- Help section leaders deliver quality programs
- Motivate and support Scouters
- Recognize and thank section Scouters
- Coach and mentor section Scouters
- Provide training and development opportunities

MEMBERSHIP

- Recruit volunteers
- Recruit youth members

ADMINISTRATION

- Critical administration including risk management and finance
- Fundraising

Section leaders will be clearly focused on developing and conducting quality programs which achieve Scouts Canada's Program Standards.

Section Leader's To Do List:

- Plan program
- Deliver program
- Recruit youth
- Risk management administration
- Take appropriate training

In order for Scouts Canada to continue to succeed, it is critical that all adult members clearly identify their role in the movement and direct their volunteer energies toward achieving our mission:

To help develop well rounded youth, better prepared for success in the world.

Thank you for your contribution and commitment to Scouting in Canada.

HISTORY / INCORPORATION

Scouting began in 1907 when Lt.-Gen. Robert Stephenson Smyth Baden-Powell, later Lord Baden-Powell of Gilwell, took a group of boys to a camp on Brownsea Island. The Boy Scouts Association throughout the British Commonwealth was incorporated by Royal Charter granted by His Majesty King George V in 1912 for the purpose of instructing boys of all classes in the principles of discipline, loyalty and good citizenship.

Scouting came to Canada in the fall of 1907, just months after the book, "*Scouting for Boys*", was published in England. The Canadian General Council of the Boy Scout Association was incorporated by an Act of the Canadian Parliament on June 12, 1914. The Canadian General Council was a branch of the Boy Scout Association until October 30, 1946, when it became an independent member of the Boy Scout World Conference. A subsequent amendment changed the name to Boy Scouts of Canada. In 1976 the Scouts Canada logo was introduced. Scouting in Canada became commonly referred to as SCOUTS CANADA.

On February 2, 2007, the Canadian Parliament passed an Act to legally change the organization's name to Scouts Canada.

B.-P. wrote to Earl Grey in 1910 to ask him to organize Scouting in Canada. Since that time, every Governor General has been either the Chief Scout for Canada (prior to 1946) or Chief Scout of Canada (after 1946).

AFFILIATIONS:

B.-P. Guilds in Canada:

- To give national recognition to B.-P. Guilds in Canada.
- To exchange information with, and among, B.-P. Guilds.
- To maintain membership in the International Fellowship of Former Scouts and Guides.
