

SCOUTS YLT

Build a Fort!

The Adventure:

With your Lodge, build a secret superhero meeting place!

Take a break after a couple of minutes of building. Work together to come up with some rules to make things go a little smoother. With some help, write down your rules and post them near your fort so that you can remember to follow them!

Safety Note:

Use soft stuff (like cardboard, blankets and pillows) so that nobody gets hurt if your fort falls down!
