## Please note

It is important to be mindful of Scouts Canada's *By-Law, Policies and Procedures (BP&P)* during all Section meetings, including Bring-a-Friend events. Ensure that you are always maintaining the Two-Scouter Rule and a ratio of one Scouter to every eight youth. Reach out to your Group Committee or other Sections if you will need more Scouters on the floor to accommodate more youth. Youth are able to visit a Section up to two times for free prior to registration.

After these two visits, the youth must be fully registered in order to continue to participate in Scouts Canada programming. Please refer to section 13012.3 of *BP&P*, which discusses Hold Harmless Agreements for adults and youth who are not registered with Scouts Canada. Note that youth who attend two free meetings are not required to sign a release form.
