PLAN
15 MIN

Let's Plan!

- Go through what you will be doing during the meeting and set expectations for the night.
- Find a discussion question like, "What activities do you want to do in the next program cycle (December to February), keeping physical distancing in mind"?
- Leave time for the Beavers to share their answers but be ready to move on if the conversations fall shorter than expected.

- What equipment do you need to do the activity? All information is on each activity page within the [Activity Database](#).

Have a body break! Stand up, do some stretches or dance moves and shake it out before jumping into the activity.

DO
20 MIN

Activities to Get You Started

- Build your Lodge Patrol boxes!—What are the staples you'll need for your adventures? There should be equipment for each child in each box. The equipment needs to be cleaned after each use.
- [Desktop Zen Garden](#)—Add some 'Zen' to your Lodge! Build a take-home Zen Garden and let your imagination run wild!

What's Next?

- Ask the Beavers what activity they want to do next week. Plan how they are going to do the activity. Ask What, Why, Where, When, How questions.

REVIEW & CLOSING
5 MIN

- Review what you did by discussing a couple of short questions (don't worry about everyone answering the question, but the same people should not always be answering). E.g. Ask an open-ended question about the activity completed that night.
- Run a version of your regular closing (e.g. songs, Closing Ceremony, etc.)

- Thank the Beavers for their time and celebrate what went well together!
- Did the meeting meet the elements of the SPICES (Social, Physical, Intellectual, Character, Emotional and Spiritual)?
- Send out a weekly update to the parents letting them know what the youth have been doing and how they are progressing during indoor Scouting. Showcase the youths' successes.
