RELIGION IN LIFE PROGRAM

Membership in the Girl Guides of Canada and Scouts Canada is open to all girls and boys who wish to make the promise, regardless of race, colour or creed. The purpose of the *Guide/Scout* programs is to assist girls and boys in character development by encouraging them to be responsible citizens of their country. An important part of the program is to assist in the spiritual growth of each girl or boy in their own religious community. Girl Guides of Canada and Scouts Canada uphold the principle that specific religious instruction is the responsibility of parents and religious authorities.

PURPOSE

The purpose of this program is to provide *Scouts* or *Guides* with an opportunity to explore their faith, to make it a basic part of their personal life, and to share it with others.

THE EMBLEM

The Emblem shows a flaming chalice. The Flaming Chalice has been the symbol of Unitarians and Universalists since the Second World War. This symbol was created for the Unitarian Service Committee during the Second World War by artist Hans Deutsch. The Flaming Chalice was used as a logo for papers and a badge to distinguish Unitarian Service Committee members in a time when their work of moving Unitarians and Jews out of Eastern Europe was extremely dangerous. Hans Deutsch was an Austrian living in Paris in the 1930s who drew satirical cartoons of Adolf Hitler. When Paris was invaded in 1940 Deutsch became a refugee in Portugal and discovered the Unitarian Service Committee. Rev. Charles Joy, the executive director of the Unitarian Service Committee in the 1940s, described the symbol as “ ‘a chalice with a flame, the kind of chalice which the Greeks and Romans put on their altars. The holy oil burning in it is a symbol of helpfulness and sacrifice’. ... The story of Hans Deutsch reminds us that the symbol of a flaming chalice stood in the

beginning for a life of service. When Deutsch designed the flaming chalice, he had never seen a Unitarian or Universalist church or heard a sermon. What he had seen was faith in action – people who were willing to risk all for others in a time of urgent need.”

– adapted from the Unitarian
Universalist Association’s pamphlet,
“*The Flaming Chalice*” by Daniel D.
Hotchkiss.

REQUIREMENTS

The candidate must be a member of a Scouts or Girl Guides unit. The candidate must also be a member of his/her fellowship or congregation’s Religious Education or Young Religious Unitarian Universalists (YRUU) program or working at home with the Church of the Larger Fellowship program. Unitarian Universalists value spiritual growth and the continuing search for truth and meaning, therefore the Religion in Life program should be treated as a serious step in the spiritual journey of the Scout or Guide.

INSTRUCTION

The candidate should work on the program with a mentor/advisor who is a member of his or her fellowship or congregation (it is advisable that even adult candidates work with a mentor/advisor). This mentor/advisor would likely be the Minister, Director or Minister of Religious Education (DRE or MRE) or the Religious Education Co-ordinator. The candidate, in consultation with the mentor/advisor, will create a schedule of meetings to aid in the completion of the program. Adaptation of some of the projects may be made at the discretion of the mentor/advisor where necessary.

PRESENTATION

Presentation of the emblem is made by the candidate's spiritual advisor, and can form an impressive part of a regular *Guide* or *Scout* meeting, a church service, or a special evening for parents/guardians.
